

PRE-PROGRAM SESSION FOR NEW MBA PROGRAM DIRECTORS

Whatever keeps you awake at night--admissions, rankings, faculty, student demands, competition, or your future--you'll find the MBA program veterans willing to talk about all those issues, as well as share their secrets for maintaining sanity. Plus, you'll have a great opportunity to begin building your network of other MBA program professionals. Join us as we face the day-to-day challenges of MBA programs with a sense of humor and a shared commitment to help each other. The session will be held from 5:00 – 7:00 p.m. on Wednesday prior to the welcome reception.

NEW FOR 2009 – DISCUSSION TEAMS!

Broaden your perspectives and deepen your networks by joining an MBA Leadership Conference discussion team! At this year's event, attendees will have the opportunity to engage in a 6-8 person discussion team, comprised of a diverse group of fellow attendees. Teams will have access to a pre-conference networking site, meet during the opening and closing conference breakfasts, and participate in a Thursday evening small-group dinner and a Friday afternoon conversation hour. This is your opportunity to dialogue on conference topics, and gather ideas and feedback on issues that are most pressing to you in a small, discussion group format. You will be able to sign up during the registration process.
