GMASS[®]

What Is It?

GMASS is a Student Search database available to all GMAT-Using Schools that provides easy access to over 500,000 mba.com registrants, GMAT[®] test registrants, and test takers. These potential candidates have opted to make their personal information available to you and are specifically interested in graduate management education.

Benefits

ACCESS THE WORLD

Find and contact the best potential graduate management candidates from a continually updated global list; mail and email addresses are included.

TARGET PRECISELY

Customize your search with multiple criteria selections, exclude names you have previously purchased, or purchase names with updated profiles.

AIM FOR DIVERSITY

Search strategically to recruit diverse classes and fill specialized scholarships and fellowships.

TIME IT RIGHT

You can contact prospects at all phases of the admissions process, from before they've registered for the GMAT exam to after they've taken the exam.

Access

Who is it
Available To?

GMASS is available to all GMAT-Using Schools.

Schools that use the GMAT[®] exam have access to test takers through a variety of GMAC services in addition to GMASS[®]. These programs can:

- Advertise their recruiting events in the [Calendar of Events](#) on mba.com, the Council's student website.
- Choose to participate in the [mba.com School Finder](#), a school search database. Candidates will find your program if it meets the search criteria
