

## EXECUTIVE ASSESSMENT OFFICIAL PREP

# Gain the confidence you need to be successful on the Executive Assessment

With a full calendar at the office and a busy lifestyle outside of work, pursuing an Executive or Professional MBA program is a big step, and how you prepare should fit your schedule and build on your work experience.

The Executive Assessment, developed by The Graduate Management Admission Council, is designed to showcase your skills in a convenient, flexible way, and the suite of Executive Assessment Official Prep offers that same convenience and flexibility.

Over 90 percent of all candidates use Executive Assessment Official Prep

While the Executive Assessment is designed to make extensive preparation unnecessary, practice enough so that you feel comfortable responding to each question in just a few minutes.

Take advantage of one or all of the Executive Assessment Official Prep materials available online at [gmac.com/executive-assessment/prepare](https://www.gmac.com/executive-assessment/prepare), featuring:

- **Official Practice Assessments**  
Two full-length, adaptive assessments, leveraging the same scoring algorithm as the real Executive Assessment.
- **Official Practice Questions**  
300 practice questions with full answer explanations, in an easy-to-use online format.
- **Official Practice Integrated Reasoning (IR) Questions**  
50 practice IR questions with full answer explanations.
- **Official Practice Bundle Plus**  
Official Practice Assessments and Official Practice Questions, plus an additional 50 official Integrated Reasoning practice questions in one, discounted bundle.
- **Official Practice Bundle**  
Official Practice Questions and Official Practice Assessments in one, discounted bundle.

The data-driven skills and real-world experience you're bringing to a program speak for themselves. Put those skills to work throughout your journey, beginning with your preparation for the Executive Assessment.
