In East and Southeast Asia, total hiring increased for MBA, Master of Accounting, and Master of Business Analytics graduates from 2021 to 2022. Nearly a fifth of employers hired more MBA graduates than they expected in 2022.

The estimated median starting salary for new hires in East and Southeast Asia is consistent. Estimated median starting salaries for GME graduates in East and Southeast Asia is $45,000.

*Employers were asked to estimate the average base annual starting salary (in increments of $10,000 U.S. dollars) their company will offer to new hires by degree type in 2023. This does not include other benefits, which vary in generosity by region to make up total compensation. The error bars represent the 95 percent confidence intervals for each estimated population proportion. When the error bars do not overlap between groups, this indicates a significant difference.
